After the exploration of painting the art of printmaking becomes the final chapter of the artist process. Our role is to facilitate this process organically, creating an environment for producing the most important prints and multiples of our time. It's a privilege being part of today's creative process and tomorrow's history.

Robert Lococo

LOCOCO FINE ART PUBLISHER is a leading publisher of contemporary fine art prints, editions, and monographs.

Since our founding in 1990 by Robert Lococo, we have collaborated with our artists, master printers, and innovative technologists to create exclusive prints and multiple editions.

LOCOCO now represents over 60 international artists, including many of the most important and innovative artists of our time.

We are proud to have established long-term, ground-breaking relationships with Alex Katz, Kenny Scharf, Donald Sultan, Ugo Rondinone, David Salle, and so many more. LOCOCO has established itself as a leader in art monographs and has published over 1,000 titles in close collaboration with our artists.

Our editions have been exhibited and are in the collections of many museums world-wide, including:
